

Invitation to the NABB Annual Meeting

You are cordially invited to attend NABB's Annual Meeting on Wednesday, September 22 and 6:30pm at the Fisher College, 116 Beacon Street (between Arlington and Berkeley). (This is a Special Meeting this year because it is being held a few days later than the annual meeting is usually held in September.)

At the meeting, members will elect the officers and directors, and NABB will present its community service awards. The officer and director nominees are listed below, along with directors previously elected who will be continuing to serve unexpired terms.

We look forward to seeing you there.
